

This architectural floor plan depicts a large hall, likely a theater or concert hall, viewed from above. The stage is located at the top of the plan, featuring a complex arrangement of platforms, stairs, and technical equipment. A large, rectangular area in the center of the hall is designated for seating, with rows of seats facing the stage. The stage area includes several large, rectangular blocks, possibly representing set pieces or lighting rigs. A large, rectangular area in the center of the hall is designated for seating, with rows of seats facing the stage. The stage area includes several large, rectangular blocks, possibly representing set pieces or lighting rigs. The plan also shows various technical details, such as lighting fixtures, sound equipment, and structural elements like walls and doors. A large, rectangular area in the center of the hall is designated for seating, with rows of seats facing the stage. The stage area includes several large, rectangular blocks, possibly representing set pieces or lighting rigs.
